

MULTIPLE ORDER DISCOUNT INFORMATION

How it works: if you order more than a single product from Fox Design a Multipul Order Discount (MOD) applies. For example, if you order a Logo Design as well a Business Card Design, then you will receive a 25% discount on the Business Card Design. However, if you order a Brochure Design, a A3 Poster Design as well as a Business Card, then you will receive a 20% discount on both the A3 Poster Design and Business Card Design. In short, the highest percentage value applies to any other product order at the same time.
